Falcon Newsletter July 2015

Our usual editor, John Perryman, has returned to England for his annual visit so I am stepping in to produce a brief newsletter for July.

WPB Fives Competitions Sponsored by Personal Trust International

Linda Clark and Linda Stringer reached the Quarter Finals in the Ladies Pairs. Darryl Edwards, Lynda Nurrish and Cheryl Saunders reached the Semi-Finals in the trips. Well done to our ladies, we are proud of you. Our men's team enjoyed the competition.

Personal Trust International Constantia Midweek Trips

This event over five weeks also concluded successfully with Ken Chadwick's team from Plumstead Bowling Club taking the winners podium. The whole ambiance and friendly spirit of the event was a consequence of the superb organisation by Mickey Sadd and his team. Well done guys! Thanks also to our generous sponsors.

Club Competitions

Both the Men's and Ladies competitions are almost all complete. There have been a few surprises and if you have not followed these on the noticeboards or better still on the greens, then you will find out at the annual prize-giving ceremony. Our appreciation is extended to Kevin Pattenden and Joan Wedderburn-Clarke for their stout efforts in keeping these going.

Member's Health and Welfare

We welcome Mike Weir and Terry Hepworth back onto the greens after their convalescence. We wish the ever friendly Barbara Pringle a speedy and full recovery. She has been in the Kingsbury Hospital for the past two weeks.

Albert and Daphne Myburgh have decided to retire from bowls after many years in the club. We wish them well in their future endeavours.

Annual General Meeting

This event takes place on Sunday morning 26th July. It is important that members attend this meeting to vote on important topics such as their annual membership fees, election of the Exco members and Selection Committees. There are also three further motions to debate and vote. Details are currently on the notice board but will be included in the Annual Report to be circulated soon. Please be there.

Annual Prize Giving Awards

This will take place after the AGM on Sunday 26th July. Please support our club champs by participating in this event. There will be delicious snacks served afterwards.

Social Bowls

Now that the competitions and tournaments are over we are experiencing an increasing participation in Friday Fun Bowls and Saturday Snowball. The Snowball draw carried over for a few weeks and a generous R3,800-00 was paid out to a lucky team last Saturday. Come and enjoy the fun.

Welcome

Have you noticed how busy our coaches have been? This month we have welcomed Glenys Koning, Harvey Havenga, Patricia Rogers and Ian Rohrtbart as new playing members into the club. Patricia and Ian are also active members of the VOB Running Club. Remember to enter the Novices Tournament guys.

Good bowling!

Peter
